## CLEANER 53 neutral cleaner

---

### Description

**CLEANER 53** is a concentrate neutral pH detergent formulated with synthetic cleansing agent for the daily cleaning of all surfaces.

### Properties

The product removes dirt and soil quickly and easily, thanks to high quality cleansing agents. After washing, **CLEANER 53** leaves a fresh perfume. The product does not damage waxed or sealed surfaces.

### Where to use

**CLEANER 53** can be used for the daily cleaning of all washable, sealed or waxed surfaces. It can be used for polished natural stones, marbles, granites, ceramic tiles, clinker, terracotta, doors, windows etc.

### Application

Dilute from 10 to 30 grams of **CLEANER 53** in 10 litres of water. (one tablespoon = 10 gr.). Wash the surface by means of mop or cotton cloth and allow to dry. For doors, windows etc. rinse well the surface with clean water. Note: if properly diluted rinsing is not required.

### Fortuitous leakage and waste disposal method

In case material is released or spilled, clean up the most of the product. Absorb all residue with sand, sawdust etc. and dispose of the waste following the local regulations.

**Coverage:** Depending on usage. About 1 L. per 2.500 square metres

**Storage:** Keep the tin closed and in a cool place.

**Shelf life :** 2-3 years

**Packing :** 1 L. bottle (20 per carton) - 5 L. tin (4 per carton) - 10 L. cans

### Technical data

<b>Appearance</b>	: Limpid Liquid
<b>Colour</b>	: Green
<b>Odour</b>	: Perfumed
<b>pH</b>	: 6-7
<b>Spec. gravity (20°C)</b>	: 1,01 gr./cc
<b>Biodegradability</b>	: 90% (Art. 2 and 4 L. 26/04/83 n. 136)
<b>Flash point (ASTM D 56)</b>	: None
<b>Composition</b>	: Anionic and non-ionic surfactants in water solution
