

Protective

HIDRO 500

Water-based stain-proof sealer

LINEA
PROFESSIONALE

HIDRO 500 is a water based stain-proof eco-friendly impregnator. Its special formula guarantees an excellent stain-proof power on several types of materials, much or less absorbing, without changing their color and offering an excellent water-repellent capacity.

Very versatile, it is both recommended for engineered materials and for natural stones. Application is recommended when the surface requires a good and long-lasting protection. It can also be used on slightly damp surfaces and as a pre-treatment to make easier after-setting operations. Applied by immersion, inhibits dampness stains, that may affect some stones.

CHARACTERISTICS AND BENEFITS

- ✓ Excellent stain proof features on polished stones
- ✓ Provides hydro-repellency to polished stones
- ✓ Provides oleo-repellency to polished stone
- ✓ Does not affect the color shade
- ✓ Eco-friendly
- ✓ Persistent
- ✓ Does not create film or patina
- ✓ High penetration

USES

For interior and exterior surfaces. Terracotta tiles, brick, rough marbles and granites, natural stones and quartzite.

COVERAGE

10/15 m²/lt

APPLICATION EQUIPMENT

Brush, Lambswool applicator, Roller, Cloth

APPLICATION STEPS

Test on a small area before proceeding, so to ensure product suitability and final result. The product must be applied undiluted, evenly and generously, but according to the coverage.

Jobsite Application:

Before setting or grouting, apply the product to a dusted, dry or slightly damp material, by immersion, with a sprayer or a brush. The product penetrates and dries alone, but avoid leaving any excess on the surface. After treatment, wait 24 hours at least before setting or grouting.

Water-repellent stain-proof application:

As a water-repellent treatment before the application of other treatments or finishes, apply the product to a clean surface, dry or slightly damp, with a sprayer or a brush.

The product penetrates and dries alone, but avoid leaving any excess on the surface.

Protective

HIDRO 500 Water-based stain-proof sealer

EQUIPMENT CLEANING

At the end of application, the equipment used can be washed using water.

SAFETY

When applying the product, always use suitable personal protective equipment and follow the instructions on the product safety data sheet with care.

PHYSICAL AND TECHNICAL INFORMATION

Aspect:	Liquid
Color:	Amber
Odour	Odourless
Specific Gravity at 20°C	980 ± 5 g/lit
pH	7.5 ± 0.5

STORAGE

Keep the container tightly closed and store in a cool, dry place.

SHELF LIFE

36 months in the original, sealed packaging, stored in a cool, dry place.

PACKAGING

- 1lt bottles – 12 per carton
- 5 lt containers – 4 per carton
- 10 lt containers - bulk
